COMMENTS: (*explain):	<p>Writer received a call from Bobby Wingfield (Appomattox Co.) on 10/24/2005 at 5:00PM, who said that Aileen Ferguson (Appomattox Co. Administrator) had received a complaint about tracking on Rt. 627, associated with the Charles Brand site permitted by Synagro. Writer called David Cheatham (Synagro) and informed him, who said that he was going to call Synagro's subcontractor, Roger Edwards, to clean road if necessary.</p> <p>10/25/2005 No land application occurring. Writer traveled to the site and met with others listed above. Road had small amount of mud on it from trucks leaving the site. No action to clean road required at this time.</p>
